

JAMAL VA VA MYDEEN

BIM Structural ,Architectural &Interior Design / Modeler

5+ years of work experience

Ph: +91-9652785627 | Email: vvmydeen@gmail.com

Executive Summary:

Motivated Professional with over 5 years of experience in architecture design and BIM modeling in various countries projects. Able to function effectively as part of a team or independently with Little to no supervision. Seeking to improve my design knowledge with experience and design tools.

Work Experience:

- **Pinnacle Infotech Solutions**, Madurai, From Sep 2022 to present.
Designation: Senior Engineer.
- **Enventure Engineering LLP**, Bangalore, From Mar 2022 to july2022.
Designation: Engineer.
- **JSE Engineering Pvt Ltd**, Chennai, From July 2019 to Feb 2022.
Designation: BIM Modeler.
- **Jasper International Engineering**, Rajapalem ,From Oct 2018 to Feb 2019.
Designation: Rebar Detailer.

Projects:

- Jeddah Opera House – Jeddah,KSA ,LOD 350,Modelling &Shop Drawing.
- Dubai Airport Engineering Project-Dubai,UAE , LOD 300,Modelling.
- Braintree Properties-US, LOD 300 Modelling.
- Goa International Airport –Goa ,India,LOD 350, Shop Drawing.
- L&T POD Toilet – Delhi,India LOD 400 Modelling &shop drawing.
- Carrol Pfluger, School –US, LOD 350 Shop Drawing.
- Libertty Hill Elementry School-US,LOD 350 Shop Drawing.
- The VUE-LOD 350, Saudi Arabia.
- Soldier Field Stadium- Chicago,US LOD 200 Modelling,
- MetLife Stadium- East Rutherford-US,LOD 200 Modelling.
- Wafra Residential Tower C5 (40 Floors Building) – Abu Dhabi, UAE LOD 400 Modelling.
- Business Bay District Cooling Plants – Dubai, UAE LOD 300 Modelling.
- Luxgen Residential Tower– Dubai, UAE, LOD 300 Shop Drawing.
- Etisalat Data Centre –Dubai, UAE LOD 400 Modelling.

- Qatar Airport –Qatar ,BOQ
- 1Cartlon Terrace House –UK ,LOD 300 Modelling.
- KCE Villa – Dubai, UAE Rebar Detailing.

Responsibilities:

- Working with the production of drawings using REVIT and AutoCAD.
- Developing Structural & Architectural Revit models (which includes structural design, Steel design foundation drawings, reinforcement drawings of beams, columns, slabs, stair cases,Wall,floor, Ceiling plan and sectional drawings, rebar, steel, and concrete detailing, and scheduling).
- Designing, Planning, developing 3D models and detail sets from received hand drafts.
- Delivering the design and Modeling set according to schedules.
- Coordinating with architects, structural engineers, and MEPF teams.
- We modeled different types of buildings like Commercial, Residential, Industrial.
- Working on floor and ceiling plans and matching exterior and interior from 2D to 3D.
- Designing, Model and documentation of the projects from concept to execution of metal and wood framing According to Client requirements.
- Creating a Metal-Wood Framing Wall, Floor, and Ceiling Panels using Additional Add-Ins in revit.
- Experience in drafting and Metal and wood detailing from the received pdf inputs to match the living conditions in the modeling and development of shop drawings.
- Preparation of a 3D Model as per IFC drawings using Revit Architecture and Structure.
- Coordinated multi-disciplinary clashes and/or issues regarding drawing packages with Clients And Lead Designers.
- Handled mostly High-end residential from top clients of middle east & US.
- Understand the Instructions of Engineer and Update the model as per the markups.
- Create view plan, section, and quantity schedule for documentation
- Worked on BOQ preparation of doors, walls, column, wall guards, skirting, floors Finish and Ceilings.
- Channel supports &Types Room Areas.

Software Knowledge:

Revit Structure, Revit Architecture, AutoCAD, Navisworks, Microsoft Office,SCAN to BIM.

Key Skills& Strength:

- Admirable experience in Structure & Arch Design using Revit and AutoCAD software.
- Knowledge of prime commercial and corporate buildings.

- Proficient in cad ctb settings, xref, layer management, dimension.
- Skilled in reviewing and preparing statistics and reports.
- Ability to work with a team of dedicated professionals to meet deadlines.
- Good Communication & Presentation skills & ability to interact.

Academic Qualification:

Bachelor of Technology

(First Class with 6.8 CGPA in Civil Engineering)

Jawaharlal Nehru Technological University, Anantapur,AP.

Geethanjali Institute of Science & Technology, June 2017, Nellore, AP

Higher Secondary Certificate with 88%

SGM & Sri Chaitanya Jr.College April 2013, Nellore, AP.

Secondary School Certificate with 78%

Seshu EM High School, April 2011, Nellore, AP.
