EDUCATION

Shree Devi Institute of Technology

Bachelor of Civil Engineering; CGPA: 7.65

Mangalore, Karnataka, India
2017 - 2021

Besant National PU college

Pre-University Education; Percentage: 76.6

Mangalore, Karnataka, India
2015 - 2017

Mahatma Gandhi Centenary high school

S.S.L.C; Percentage: 82.88

Mangalore, Karnataka, India
2013 - 2015

SKILLS SUMMARY

- **Software:** Revit Autodesk: BIM software for designers, AutoCAD, Vertex BD, Navisworks: 3D model review and co-ordination, BIM 360, Sketchup, MS Word, MS PowerPoint, MS Excel
- **Soft Skills:** Excellent communication, Problem Solving, Teamwork and Collaboration, Critical Thinking, Positive Attitude, Negotiation, Customer Relationship Management (CRM), Site Supervision

WORK EXPERIENCE

BIM Modeler | Expertise Contracting Co. Ltd

December 2022 - Present

- Create the proposal based on the preliminary drawing provided by the client
- Detailing of structural arrangement and staircase for modular building
- Producing a BOQ for the supplier
- I analyze architectural drawings as a design engineer to ensure they match the structural design and architectural views
- Vertex BD is used to model Light gauge steel (LGSF) for modular building
- ZWCAD is used to prepare fabrication drawings for site erection
- Co-ordinating with the production team in Saudi Arabia, during the erection of steel structures
- Ensuring coordination with the site during the construction of RCC activities
- Provided hands-on training to new hires, ensuring a smooth transition into their roles & explained key organizational values and culture, facilitating quick adaptation and engagement

Business Development Associate | BYJU'S

September 2022 - October 2022

- Making cold calls to potential customers, setting up meetings, counseling students on BYJU's unique way of learning, and helping them make purchases
- Building and maintaining profitable relationships with potential customers. Quickly and effectively resolving customer complaints. Keeping customers informed about the latest products to boost sales

Revit BIM Modeller | Petrocon Engineers & Consultants

July 2021- July 2022

- I worked as a BIM Modeler for the HILTI Project
- Developed CAD/2D sheets, Prefab shop drawings, and 3D models using such as REVIT software to visualize Project Designs. leveraged BIM 360 to collaborate with the team as per ASCE codes & Standards
- Managed and reviewed the models and technical content including clash detection using Navisworks & BIM 360, ensuring project designs met specifications while avoiding costly rework
- Participated in the mechanical modeling efforts, which involved pipe routing and standard pipe supports
- provided technical assistance to achieve successful project outcomes
- Follow Document management software such as BIM 360 and its workflow
- I developed Mechanical families and executed Dynamo to enhance the project design process
- Developed schedules, structural layouts, material reports, and templates

INTERNSHIP

Site Supervisor| Anuv engineers

March 2021 – April 2021

- Managing various construction activities
 - Checking the quality of shuttering and reinforcement work
 - Checking the quality of masonry and plastering work
 - Creating site reports and a checklist for construction activities
 - Giving technical advice and resolving technical issues on site
-

PROJECTS

BIM Modeler | Expertise Contracting Co. Ltd

- Alfancar Neom villages type A, B, C & D
- Trojena construction & staff villages
- Alfancar utility buildings (Security facility, guard house, garbage room, new server building, communication service building, outdoor toilet, male & female swimming pool)
- Neom Oxagon - barber shop (Neom client)
- Neom yard- health clinic
- Neom_Oxagon_Package -1A_Waste Management Building (NEOM, Saudi Arabia) PEB building with LGSF partition walls.
- Gayal Neshma-Office building
- Housekeeping Sindalaha -PEB building
- Arail Sindallah Amenities Buildings
- Neom Oxagon: Preliminary drawings (NEOM, Saudi Arabia) PEB building with LGSF partition walls
- Neom_Beach Club Toilet (NEOM, Saudi Arabia) Modular building with Light gauge steel structure
- Neom_Oxagon_Package -1_Fire Station (NEOM, Saudi Arabia) PEB building with LGSF partition walls
- Neom_Oxagon_Package -1A_Cup Wash Building (NEOM, Saudi Arabia) PEB building with LGSF partition walls.
- Certificate of appreciation for organizing Euphoria 2023
- 3D Modeling & rendering of Guardhouse for Neom client using Revit.

Revit BIM Modeller | Petrocon Engineers & Consultants

- Project Title: North Field Expansion & TBZ Military Medical Complex (Qatar)
- Qatar Gas Operating Company Ltd: Design of IFS for telecommunications room
- Modelling Ceiling supports using Hilti families for ducting section as per design specifications
- Clash detection of the model using Navisworks
- Sheet creation of the ceiling supports the execution plan
- Material takeoff for the Hilti supports by using Dynamo scripts
- Project Title: Liner Extraction
