📍 Vellore, Tamil Nadu

🛂 Passport No: R9825423, Date of Expiry:10/04/2028.

Career Objective

Detail-oriented Civil Engineering graduate with hands-on experience in water pipe laying and UGSS projects. Seeking an **Entry-level BIM Modeler** position to apply technical expertise and site experience in infrastructure development. Proficient in **AutoCAD, Revit, and Autodesk Civil 3D**, with a strong focus on using BIM tools for design, planning, and coordination. Eager to contribute to an innovative organization that fosters continuous learning and growth.

Professional Experience

Site Engineer – Civil

L&T Construction, (sub-con: M/S.Shalini Associates)

Projects: UGSS Phase-III, (Vellore) || UFW D2A (Unaccounted for Water Reduction Project), (Bengaluru)

Mar 2017 – Mar 2021

- Supervised end-to-end site execution for large-scale utility and pipeline infrastructure projects in urban environments.
- Reviewed construction drawings and coordinated field activities to ensure accurate implementation and quality control.
- Executed over 20 km of DI pipeline and 10,000+ HDPE house service connections in central Bangalore.
- Managed the construction of brick manholes, chambers, and UPVC pipelines in Vellore, including surveying using Auto-Level instruments.
- Prepared quantity estimations, material take-offs, and supported as-built documentation for future model integration.
- Maintained detailed site records, RFIs, QA/QC checklists, and daily progress reports critical to project tracking and digital workflows.
- Enforced strict safety protocols and coordinated with subcontractors for billing, material reconciliation, and schedule alignment.
- Collaborated with planning and design teams, offering real-time field insights that supported design validation and enhanced BIM-readiness.

- **ROLES & RESPONSIBILITY:**

Technical Skills: Construction Drawing Interpretation, Surveying (Auto Level), As-Built Documentation

Project Management: Site Execution, Quantity Estimation, Subcontractor Billing, Project Reporting

Quality & Safety: RFI and Checklist Review, Safety Management, Interdisciplinary Coordination

Certifications

- Autodesk Certified – Revit Architecture
- Autodesk Certified – Civil 3D

Successfully completed hands-on training focused on modeling, annotation, project collaboration, and civil infrastructure design workflows

Skill

- **Design Tools:** AutoCAD (2D), Revit Architecture, Revit Structure, Autodesk Civil 3D
- **Project Tools:** MS Office, Quantity Estimation, Surveying (Auto-level)
- **BIM Skills:** As-built drawing preparation, Coordination drawings, RFI handling

Education

B.E. in Civil Engineering - Varuvan Vadivelan Institute of Technology, Dharmapuri TN
2022 – 2025 (pursuing) | CGPA: ~7.0

Diploma in Civil Engineering -Thanthai Periyar Government Polytechnic College, Vellore TN
2013 - 2016 | Percentage: 77%
