

PRASHANT KUMAR

CIVIL ENGINEER

CONTACT: 7903987299

ADDRESS: Mumbai (Maharashtra)

7632849473

EMAIL: prashantkumar20619@gmail.com

CARRER OBJECTIVE:

To obtain a challenging position as a BIM Engineer in a forward-thinking organization, where I can utilize my technical expertise in Building Information Modeling , 3D modeling, and interdisciplinary coordination to contribute to innovative and sustainable construction projects. I aim to continuously enhance my skills in digital construction technologies and collaborate with multidisciplinary teams to deliver efficient, cost-effective, and high-quality design and construction solutions.

WORK EXPERIENCE : 2 year

D23 DESIGN LOUNGE from JULY 2023 to 2025 PRESENT (JR BIM ENGINEER)

REVIT ARCHITECTURE

- Developed detailed 3D building models using Autodesk Revit Architecture, ensuring accuracy in design documentation and coordination.
- Created construction documents including floor plans, elevations, sections, and schedules directly from Revit models.
- Collaborated with multidisciplinary teams to coordinate architectural elements with structural, MEP, and civil systems using Revit.
- Utilized Revit's parametric tools to design and modify architectural components in compliance with project requirements and building codes.
- Create a 3D Model from scan to bim and CAD to bim

REVIT STRUCTURE

- Developed and managed detailed 3D structural models using Autodesk Revit Structure in accordance with project specifications and standards.
- Coordinated Revit models with architectural, MEP, and other disciplines to ensure clash-free design and construction documentation.

- Created structural plans, sections, elevations, and detailed drawings for concrete, steel, and timber structures.
- Collaborated with engineers and project managers to incorporate structural analysis results and design changes into the Revit model.

EDUCATION :

BACHELOR OF TECHNOLOGY IN CIVIL ENGINEERING/2019-2023 from Rajasthan technical University (Jaipur) I have got 8.2 CGPA

Software skills:

- Auto Cad
- Revit Architecture and Revit structure
- Blue Beam
- Tekla structure
- MS Excel
