Email: alfaizal5555@gmail.com

Phone: 6382184009

Location: Thanjavur, Tamil Nadu, India

Career Objective

To secure a challenging position as a Graduate Engineer Trainee in the field of Mechanical Engineering with a focus on MEP BIM, where I can utilize my technical skills in Revit MEP and Navisworks to contribute to innovative engineering solutions and gain practical industry experience.

Education

B.Tech in Mechanical Engineering
PRIST University, Vallam, Thanjavur.
Year of Passing: 2024

Technical Skills

- Revit MEP
- Revit Architecture (Basic)
- Navisworks
- MS Office

Academic Project

HVAC Design for Resort Villa (Academic Simulation)

- Developed basic duct layouts and equipment placements using Revit MEP.
- Focused on split ducted unit configuration for single-family residence.

Certifications & Training

Completed MEP Course at Ausland Manshaft, Trichy

- Gained hands-on training in HVAC, plumbing, fire fighting systems, and BIM coordination.
- Worked on real-time project simulations using Revit MEP and Navisworks.

Declaration

I hereby declare that the above information is true to the best of my knowledge and belief.
