<https://www.linkedin.com/in/mohammed-shihabudheen-k-b409aa237>

OBJECTIVE

Detail-oriented and results-driven Mechanical Engineer specializing in MEP systems, seeking to contribute technical expertise and project management skills to a dynamic engineering team. Committed to delivering efficient HVAC, plumbing, and fire protection solutions in compliance with industry standards and client requirements

KEY SKILLS

- Knowledge in AutoCAD MEP and BIM Revit MEP
- Knowledge in HAP, Duct & Pipe size calculations (Mc Quay), Thermal load calculations
- Knowledge in ASHRAE and other standards
- 3D modelling and drafting using Solidworks and Inventor
- Knowledge in Tolerance, Stackup Analysis and GD&T
- Knowledge in DFX & DFMA
- Knowledge in PLM & ERP softwares
- Knowledge in various QA/QC & inspections
- Proficiency in MS Office

EXPERIENCE

MEP ENGINEER (April 2024- Present)

Medac MEP Solutions

Design and Drafting of HVAC, Plumbing & Fire Fighting systems

MEP BIM Modelling using Revit

MEP INTERN (November 2023- April 2024)

Medac MEP Solutions

AutoCAD and BIM Revit

BOQ Preparation

GRADUATE APPRENTICE TRAINEE (October 2022- October 2023)

Maintenance and calibration of various process instruments.

HSSE, Chemistry of Fire, LPG Plant firefighting system & protection of facilities.

Statistical Quality Control of LPG Cylinders

EDUCATION

BTech Mechanical Engineering (CGPA- 8.32)

Kerala Technological University

Government Engineering College, Kozhikkode (2018- 2022)

HSE (93.2%)

BYKVHSS, VALAVANNUR (2018)

SSLC (99.8%)

CHSS, KURUMBATHUR (2016)

OTHER CERTIFICATES

- Work System Design, NPTEL, **IIT Roorkey**
- Internship at **Autokast LTD**, Alappuzha, Kerala

PROJECTS

Property Evaluation of Nano Grease Produced from Vegetable Oil

Selected for financial assistance from Centre for Engineering Research & Development (CERD)

Successfully manufactured and analyzed its Tribological and Rheological properties

SOFT SKILLS

Problem Solving & Analytical Thinking

Adaptability & Quick Learning

Decision making under pressure

Project Management

Leadership & Teamwork

Time Management

Attention to Detail

Presentation Skills

Communication Skills
