My name is Dilna KK, a native of Kerala. I am a recently graduated civil engineer from MES College of Engineering, Kuttippuram. Currently focusing on Building Information Modelling (BIM) to enhance my engineering foundation. I have developed strong communication skills and I am passionate to apply my theoretical knowledge to practical applications so as to gain hands-on experience.

Work Experience

Fresher

I am a recent graduate and a fresher with a strong foundation in engineering principles, eager to learn and develop my skills further in a dynamic work environment. Passionate about leveraging my technical knowledge and problem-solving abilities to contribute to innovative projects. Looking forward to gaining hands-on experience and enhancing my expertise in the field.

Education

B.Tech in Civil Engineering

MES College of Engineering, Kuttippuram-Kerala

June 2020 to June 2024

As a Civil Engineering graduated from MES College of Engineering(2024), I gained a strong foundation in structural analysis, construction materials, geotechnical and environmental engineering. My coursework included hands-on experience with infrastructure design, project management, and tools like AutoCAD, enhancing my problem-solving skills and attention to detail. I have enhanced my skills in revit - Architectural ,MEP,structural . Learning more about naviswork and civil 3D .

Skills / IT Skills

- Revit MEP
- Revit Architecture
- AutoCAD
- English
- Communication skills
