HP : +65 82864971, India H/p: +91 9043960066

### **CAREER OBJECTIVE**

Mechanical Engineer with ten years' experience in the field of building services on various prestigious projects in India & Singapore, Well equipped with strong technical, analytical and operational skills along with great precision, strategy, leadership values and integration.

### **PERSONAL DETAILS:**

|                |   |             |
|----------------|---|-------------|
| Age            | : | 33 years    |
| Date of Birth  | : | 28 May 1988 |
| Nationality    | : | Indian      |
| S-pass FIN No  | : | G3159581P   |
| Marital Status | : | Married     |

### **EDUCATION BACKGROUND:**

**Bachelor of Engineering - Mechanical Engineering** (3 Years – Full Time)

(Anna University, Chennai, India Jun 2008 – April 2011)

**Diploma in Mechanical Engineering (DME)** (3 Years – Full Time)

(S.R.I Polytechnic College) (DOTE)

### **ADDITIONAL QULIFICATION:**

- **Building information modeling - (Revit MEP) (6 years' experience)**  
(Promoted by Autodesk authorized Training Centre)
- **Professional Programmer in Auto CAD (9 years' experience)**  
(Promoted by Autodesk authorized Training Centre)
- **Building Construction Supervisors Safety (BCSS)**
- **UNIGRAPHICS NX-10 Using Product Design and Tool Design.**
- **CATIA V5 Using sheet metal design & Product Design**
- **Mechanical Motion analyses – ADAMS VIEW**

## PROFESSIONAL EXPERIENCE:

### EXYTE SINGAPORE PTE LTD (Singapore) (MAIN-CON)

Dec 2020 to May 2022

BIM MODULER (M&E)

#### PROJECTS:

- **MICRON SITE- WOODLANDS**  
Hose reel system, Dry Riser System,  
Addressable Fire alarm System, Sprinkler system.
- **SILTRONIC SEMICONDUCTOR SITE- TAMPANIES**  
Hose reel system, Dry Riser System,  
Addressable Fire alarm System, Sprinkler System

#### Responsibilities:

- Develop, manipulate, and maintain 3D models for specific projects for use during preconstruction and construction. To Produce CBP&CSD Drawings for Construction.
- Interact with client, architects and subcontractors as needed Review model exports for constructability.
- Assist Project Manager in developing, monitoring and updating schedule and managing job with regard to MEP phases.
- Design fire alarm systems, sprinkler Systems and Fire Suppression Systems to prepare Sprinkler pump calculations and hydraulic calculations As per Singapore Code Of Practice CP 10 & CP 52
- Design pipe systems, pipe supports, and related hydraulic and pneumatic equipment such as sprinkler heads, pumps, valves, flow and pressure switches to As per Singapore CP standards.
- Prepare Fire alarm & Fire fighting system Shop Drawings, Penetration Drawings, Fire Alarm Zone Chart, As-Built Drawings by using Revit and AutoCAD. Construct 3D model and shop drawings for submission to Authorities and for construction
- Co-ordinate with M&E Services, to resolve Clash issues Revit MEP with Navisworks to coordinate zero Clash, attend BIM coordination meetings for on-site personnel to provide input on enhancing coordinated shop drawings.

### KOON SENG PLUMBING & TRADING PTE LTD (Singapore) July 2019 to Nov 2020

BIM MODULER (M&E)

#### PROJECTS:

- **Jurong Region Line (Rail & bus depot) (Project value - 4 million)**  
Fire Protection System,  
Irrigation System, Green Wall & Green Roof system.
- **Bulim Drive (Project value – 2 million)**  
Hose reel system, Dry Riser System, FM 200, Gas suppression System (Kitchen hood)  
Addressable Fire alarm System, NN100.

## **Responsibilities:**

- Develop, manipulate, and maintain 3D models for specific projects for use during preconstruction and construction. To Produce CBP&CSD Drawings for Construction.
- Interact with client, architects and subcontractors as needed Review model exports for constructability.
- Assist Project Manager in developing, monitoring and updating schedule and managing job with regard to MEP phases.

## **FIKDTEC PTE LTD (Singapore)**

**Aug 2015 to June 2019**

**(MECHANICAL DESIGN (Revit MEP) & PROJECT ENGINEER)**

## **PROJECTS:**

- **Yishun Hawker Centre (Project value - 2 million)**  
Addressable Fire alarm System, Dry Riser System, Gas Suppression System (kitchen wood), Hose reel system.
- **Sembawang Adult Disability Home (Project value – 1.8 million)**  
Hose reel system, Dry Riser System, FM 200, Gas suppression System (Kitchen wood) Addressable Fire alarm System, NN100.
- **NUH (Project value – 2.4 million)**  
Hose reel system, Dry Riser System, Addressable Fire alarm System, NN100 Gas suppression System (Kitchen wood).
- **RAZER HQ – BUSINUSS PARK (Project value – 2 million)**  
Hose reel system, Dry Riser System, FM 200, Sprinkler System
- **BUKIT TIMAH PRIMARY SCHOOL (Project value – 1.0 million)**  
Fire Alarm system, Hose reel System, Dry Riser System.
- **SINGAPORE CIVIL DEFENCE ACADAY (SCDF)-JALAN BAHAR (1.5 million)**  
Fire Alarm System, Fire Sprinkler System, NOVEC 1230 Fire Suppression System PWD System, Fireman Intercom System, Fire Extinguisher System.
- **PSA- SHED (Project value – 0.6 million)**  
Fire Alarm System, Sprinkler System.
- **NTU HALL 4 (Project value –0.8 million)**  
A & A Work for Hose reel System, Dry Riser System.

## **Responsibilities**

- Develop, manipulate, and maintain 3D models for specific projects for use during preconstruction and construction. To Produce CBP&CSD Drawings for Construction.
- Interact with client, architects and subcontractors as needed Review model exports for constructability.
- Process & forward weekly activity reports to the Project Manager, PE, Superintendent and direct supervisor.
- Design fire alarm systems, sprinkler Systems and Fire Suppression Systems to prepare Sprinkler pump calculations and hydraulic calculations As per Singapore Code Of Practice CP 10 & CP 52

- Design pipe systems, pipe supports, and related hydraulic and pneumatic equipment such as sprinkler heads, pumps, valves, flow and pressure switches to As per Singapore CP standards.
- Prepare Fire alarm & Fire fighting system Shop Drawings, Penetration Drawings, Fire Alarm Zone Chart, As-Built Drawings by using Revit and AutoCAD. Construct 3D model and shop drawings for submission to Authorities and for construction
- Co-ordinate with M&E Services, to resolve Clash issues Revit MEP with Navisworks to coordinate zero Clash, attend BIM coordination meetings for on-site personnel to provide input on enhancing coordinated shop drawings.
- Prepare method of statement, catalogues, Bill of Materials, Equipment list, project schedule and OMM submission.
- preparing the monthly progress claims, VO claims, and verifies suppliers and sub-contractors claims
- Attend technical clarification meetings on projects when required, Prepares site records of variation work and other work changes
- Co-ordinate with field/project management staff to plan design brief milestones to meet project plan installation requirements, Testing & commissioning the system.

#### CAREER HIGHLIGHT:

- -Fire Hydraulic Calculations (Canute Software).
- -Fire Alarm Programming (Hochiki).
- -FM200 Calculator(Orientfire)
- -Installation of Fire detection & alarm systems.
- -Installation of Automatic Fire sprinkler system.
- -Installation of Fire Hose reel system.
- -Wet & dry riser systems.
- -Portable fire extinguishers.

#### SOFTWARE SKILLS

- Revit MEP
- Navisworks,
- AutoCAD,
- Solid Works, Unigraphics, Catia.

**LANGUAGES PROFICIENCY:**

- English Professional Working Proficiency
- Tamil Native Language

**REASON FOR LEAVING:**

Looking for better career prospects, professional growth, work opportunities and moved on to a more responsible position.

**TARGET JOB AND EXPECTED SALARY AND AVAILABILITY:**

|                  |   |                                       |
|------------------|---|---------------------------------------|
| Title            | : | Mechanical Engineer / Design Engineer |
| Desired Job Type | : | Employee                              |
| Desired Status   | : | Full-Time                             |
| Current Salary   | : | -                                     |
| Expected Salary  | : | -                                     |
| Notice Period    | : | Immediate joining.                    |

**Declaration:**

I hereby declare that the above-furnished information is true to the best of my knowledge and belief.
