

ARUNKUMAR P

MEP design Engineer

PH +7904764791 ✉ pnarun63@gmail.com 📍 KUMBAKONAM

FRESHER

- Designing of DB schedule , Housing wiring, shop drawing.
- Placing of Electrical fixtures and conduits ,ladder cable tray with Effective way.
- Generated multi-view as built drawing of existing HVAC and ELECTRICAL system using AutoCAD
- Electrical service ,small power like (switch, socket)
- Also know plumbing fixture and piping with effective Way.
- HVAC heat load calculation using with xl and hap software.
- HVAC Duct drawing with effective way.

PROJECTS

CADD Point Educational institute

- Asoor Marriage Hall (electrical wiring)
- Srinagr Colony Marriage hall (electrical wiring)
- Bapurajapuram (Heat load, Duct drawing)
- Elussian banglore project (Heat load , Duct drawing)

AVC COLLEGE OF ENGINEERING

📅 2020 - 2024 📍 Mayiladuthurai

- IOT BASED GAS PIPELINE
- CCTV BASED CRIME PREEVENTION
- SMART HELMAT TECHNOLOGY

EDUCATION

Bachelor of Electronics and
Communication Engineering -7.56%cgpa

A.V.C College of Engineering

📅 2020 - 2024 📍 Tamil Nadu, India

Course on MEP

CADPOINT Institute

📅 2025 📍 KUMBAKONAM

- AutoCAD, Revit MEP 2021

INTERESTS

- 📁 HVAC Design Engineer Design An Estimation Engineer (HVAC)
- 📁 Electrical And wiring Design.

ACHIVEMENTS

- Presented the National conference in the title of "sixth sense of technology",NCITER-2021,At KGISL college of engineering, Coimbatore, June 2021
- Present the National Conference in the title of "Smart helmet technology",NCITER-2023,at AVC College of engineering , Mayiladuthurai ,March 2023
- Cloud computing course completed through Nan Mudhalvan
- Patented Home Application For Social Cause of Workshop
