

OBJECTIVE:

MBA (HR) graduate with entrepreneurial and analytical experience, seeking an HR internship to gain hands-on exposure in recruitment, onboarding, payroll, and HR operations. Bringing transferable skills in people management, financial planning, and communication from business and trading experience, with a strong eagerness to learn and grow in HR.

Work Experience:

Junior Forex Trader

SkyTrade Impex Pvt. Ltd. | July 2022 – December 2023

Conducted market research and data analysis to support decision-making and reporting.

Maintained accurate transaction and trade records, developing strong attention to detail and compliance mindset.

Prepared regular performance summaries and reports that improved visibility of trading outcomes (used for planning and review).

Collaborated with team members to implement risk-management practices and documented process changes.

Translated analytical findings into clear summaries for stakeholders, strengthening communication and presentation skills

Founder – Brownie Kadai (Home Baking Business)

Entrepreneur | 2021 – Present

- Launched and operate a home-baking business, handling customer orders, scheduling, and delivery coordination.

- Maintained financial and order records, including expense logs and simple reconciliations to support basic payroll-like tasks.

- Created clear standard operating procedures (SOPs) for order processing and packaging to ensure consistency.

- Coordinated schedules and task assignments for helpers, including informal training and onboarding checklists.

- Implemented customer feedback collection and used insights to improve product quality and repeat-orders.

- Managed social media promotions and customer communications to build brand visibility and engagement.
