## Profile Summary

---

I'm a technically proficient MEP BIM Modeler with strong expertise in Revit MEP, Navisworks, and ACC. I specialize in creating accurate, clash-free 3D models and supporting efficient coordination across MEP systems. My focus is on delivering high-quality BIM outputs that enhance project execution and collaboration.

## EDUCATION

---

**CMS College of Engineering and Technology**

*Mechanical Engineering - 7.8 CGPA*

**06 2017 – 04 2021**

*coimbatore, india*

## COURSEWORK / SKILLS

---

- MEP Modeling, Documentation, Family Creation
- Systems: HVAC, Plumbing, Fire Protection, Electrical, ELV
- Calculations: Duct sizing, terminal placement
- Navisworks Manage: Clash Detection, Model Coordination
- Autodesk Construction Cloud (ACC): Document Management, Worksets, Design Collaboration
- Architecture: Modeling, Documentation

## Tools

---

- Revit
- Navisworks
- ACC
- AutoCad
- Duct Sizer

## EXPERIENCE

---

**Bimlabs Global**

*Bim Modeler MEP*

**feb 2025 - july 25**

*Kochi , Kerala*

- Hands-on experience in MEP modeling for HVAC, plumbing, firefighting, electrical, and ELV systems using Revit MEP and Navisworks, ensuring accurate coordination and clash-free designs.
- Skilled in creating custom Revit families, adhering to project standards and supporting smooth collaboration across disciplines throughout the project lifecycle.
- Proficient in creating and modifying detailed 3D BIM models in compliance with project specifications and industry standards
- Performed clash detection and resolution using Navisworks, coordinating effectively with other disciplines such as architecture and structure.
- Supported multi-disciplinary coordination meetings by providing accurate BIM visualizations and resolving modeling issues.
- Maintained updated drawing sets and ensured all model changes were properly documented and version controlled.
- Engaged in continuous learning of BIM tools and workflows to improve productivity and model accuracy.

## CERTIFICATIONS

---

- BIM MEP Course , BIMLABS Global Pvt Ltd — feb 2025 - july 2025

## LANGUAGES

---

- Malayalam
- English
- Tamil
