

SAJIN C

Electrical BIM Modeler

Revit / AutoCAD

PH: +918270175330

sajincms01@gmail.com**CAREER OBJECTIVE**

Motivated Diploma graduate with hands-on training in Revit MEP and AutoCAD, seeking an entry-level position as an Electrical BIM Modeler. Eager to apply BIM skills and electrical design knowledge to contribute to efficient and accurate MEP projects in a growth-oriented organization.

CERTIFICATIONS/TRAINING:**REVIT MEP-ELECTRICAL BIM MODELING & DRAFTING(Online)**

Tools: AutoCAD & REVIT

Duration : Jan 2025- May 2025

TRAINING PROJECTS:**Project 1:****Title:** *Electrical Layout Design for a Residential Building***Tools Used:** Revit MEP, AutoCAD**Description:**

1. Modeled electrical systems including lighting, power sockets, Fire Alarm, Telephone, Intercom.
2. Used **AutoCAD** to refer and convert 2D drawings into a fully coordinated 3D Revit model
3. Applied **Revit MEP families** for lighting fixtures, panels, and switches, Fire Alarm & Telephone Devices using standard BIM libraries
4. Set up discipline-specific templates, filters, Work sets and families for each service to ensure consistent documentation trades
5. Prepared Electrical Room Details as per DEWA Standard.
6. Prepared Containment for Telephone, GSM & Power Services.
7. Prepared final Sheets with Annotations, Legends & Equipment Tags.

Project 2:**Title:** **Mock-up Apartments Services Layout Preparation****Tools Used:** Revit MEP, AutoCAD**Description:**

1. Modeled a fully functional 1BHK/2BHK/3BHK mockup apartment in Revit MEP, focusing on electrical systems such as lighting layout, power distribution, Fire Alarm, Telephone, Intercom.
2. Developed lighting and power plans for all rooms, including living room, bedroom, kitchen, toilet, and balcony.

3. Created and placed electrical families (switches, sockets, DBs, light fixtures) with proper height and circuit assignments.
4. Designed Load Schedule Preparation for 1BHK/2BHK/3BHK Mockup apartment as per DEWA Standard.
5. Applied Revit view templates, filters, and annotations to produce clean documentation and sheet layouts.
6. Used AutoCAD reference plans to model with accuracy and consistency.
7. Delivered final presentation sheets with legends, power circuit routes, and electrical device tagging.

WORKING EXPERIENCE:

Company Name	:	MODINE THERMAL SYSTEM PVT.LTD.
Designation	:	Apprenticeship
Experience	:	1 Year
Duration	:	July 2016 to July 2017
Company Name	:	CHIRAG INDUSTRY(Coimbatore-INDIA)
Designation	:	Service Engineer
Experience	:	7 Years
Duration	:	Sep 2017 to 14th Dec 2024

AREA OF RESPONSIBILITY: -

Work measurement: Time study, fix up time standards.

Method study: Operation process charts, process flowchart.

Productivity: Measurement of labor productivity and efficiency.

Plant layout: Different type of product layout for auto components cellular layout and factory layout.

Man power: Work out requirement of direct manpower and indirect man power Forecasting based on present month target.

RESPONSIBILITIES:

1. Daily monitoring process audit, POKA-YOKE making documentation of same and problem solving in my section.
2. checking in internal and external customer complaints, day to day production planning, hand overing the shift.
3. Handling the manpower, training to associates/operators, coordination and reducing losses to achieve maximum production target and follow-up in operator and team leader.

4. Simultaneously working towards productivity and quality improvement through KAIZEN activities, 5S and POKA-YOKE.
5. Working before checking in maintenance POKA YOKE in daily check sheet, Ensure the machine calibration sticker checking and due date checking.
6. Checking the safety curtain sensor and another air connector pipe line checking.
7. objectives in terms of production targets, quality, cost, safety & environment.
 - Ensure men, machine, material, environment safety with benchmark operating practices from the industry.

EDUCATION:

Diploma in Mechanical Engineering | SUN Institute of Polytechnic.
(Kaniyakumari-India)
Year of Passing: 2016

PERSONAL INFORMATION:

Name : SAJIN C.
Gender : Male.
DOB : 01/01/1997.
Passport No: P1304911
Nationality: Indian.
Languages Known: English, Tamil

Thanks for giving me opportunity to represent myself in front of esteemed company like yours. I hereby declare that all the information given above is true to the best of my knowledge and belief.

Thank you.
