

YUVARAJA M

MECHANICAL BIM ENGINEER

Dedicated BIM Engineer with Three years of experience in the construction industry. Proficient in Autodesk Revit, AutoCAD, and Navisworks, with a strong understanding of construction processes and project management. Skilled in 3D modeling, clash detection, and producing construction documents. Committed to enhancing project efficiency and collaboration through BIM technology. Strong problem-solving abilities and a detail-oriented approach. Adept at coordinating with cross-functional teams to ensure accurate and compliant project delivery. Seeking opportunities to leverage my expertise in BIM to contribute to a dynamic construction team.

EXPERIENCE

○ 2022-CURRENT (3 Years)

PINNACLE INFOTECH SOLUTIONS, MADURAI INDIA.

SENIOR ENGINEER

- Collaborated closely with architects, engineers, and contractors to develop detailed 3D building models from LOD 100 to LOD 500 using Autodesk Revit, ensuring accuracy and adherence to project specifications.
- Conducted comprehensive clash detection analysis and resolved conflicts promptly during design stages, resulting in cost savings and smoother construction processes.
- Generated precise construction documents, including plans, sections, and elevations, from BIM models, facilitating clear communication and implementation by construction teams.
- Assisted in the establishment and maintenance of BIM standards and templates, ensuring consistency across all projects and optimizing workflow efficiency.
- Conducted routine quality control checks on BIM models to guarantee accuracy, adherence to project standards, and compliance with industry best practices.
- Coordinated with subcontractors to integrate their models seamlessly into the master BIM model, streamlining collaboration and data exchange.
- Played a key role in the implementation of BIM 360 for cloud-based collaboration, providing real-time access to project data and enhancing communication among team members.

Expertise

- REVIT
- AUTOCAD
- NAVISWORK
- REVITZO
- BIM360
- REVIT FABRICATION

Personal Details

DOB : 24/12/2000

GENDER : MALE

MARITAL STATUS : SINGLE

NATIONALITY : INDIAN

PASSPORT : YES

Language

- ENGLISH
- TAMIL

KEY PROJECTS

SHURA ISLAND - SAUDI ARABIA.

NATURAL HISTORY MUSEUM - Abu Dhabi.

NEXTGEN PRECISION HEALTH -Tino Mechanical Limited, Columbia.

ARITZIA - Tino Mechanical Limited, Canada, North America.

NESMA - THE AVENUS MALL, RIYADH, UAE:

COMMON CENTRAL SECRETARIAT BUILDING - NEW DELHI,INDIA.

TURTLE BAY STAFF VILLAGE PHASE 1 EXTENSION, SAUDI ARABIA.

SHURA ISLAND (TAIL BUILDING),SAUDI ARABIA.

DAMMAM ARAMCO STADIUM,SAUDI ARABIA.

MICROSOFT - YTO40 DATA CENTER,CANADA.

GOOGLE STANDORTE(ISG),GERMANY.

PROFFESIONAL SKILLS

- 1) Strong written and verbal communication skills.
- 2) Quick to learn and adjust to new technologies, methodologies, and industry trends.
- 3) Highly adept in implementing and enforcing BIM standards, ensuring seamless integration and adherence to industry best practices.
- 4) Exceptional ability to prioritize tasks and manage time effectively to meet deadlines.
- 5) Ability to work effectively in collaborative team environments.
- 6) Proficient in creating parametric families to enhance project flexibility and efficiency
- 7) Proficient in Navisworks, showcasing the ability to effectively visualize and analyse complex project models. Skilled in utilizing Navisworks tools for clash resolution such as clash grouping, search set, and Selection set.
- 8) Model HVAC,Plumbing and Fire fighting other building systems based on engineering markups and project requirements.

DECLARATION
