- 09-May-2000

Summary

B.E. Civil Engineering graduate with over 2.7 years of experience in structural and architectural drafting. Skilled in AutoCAD for RCC, steel structural, and architectural drawings, and experienced in Revit for civil and steel 3D modeling. Hands-on experience in residential, factory, and warehouse projects. A detail-oriented drafter with strong technical knowledge and a passion for structural design.

Skills

- Architectural Plan, Elevation, and Section drafting
- Steel Structural Drawing and Connection details
- RCC Reinforcement Detailing (Slab, Beam, Column, Footing)
- Revit – Civil and Steel Structural 3D Modeling
- AutoCAD 2D Drafting – RCC, Steel, Architectural Drawings

Languages

- Tamil (Fluent)
- English (Basic to Intermediate)

Interest

- Structural and Architectural Design
- Learning advanced CAD/Revit techniques
- Watching high-rated and feel-good movies

Experience

- Arun Engineering Consultancy Services, Bangalore, Karnataka.**

Jul 2022 - Dec 2022
(0 Years,5 Months)
- Junior CAD Draftsman
- Prepared RCC reinforcement detail drawings using AutoCAD for residential buildings
 - Drafted architectural plans, elevations, and sections
 - Assisted senior engineers with drawing development and quality checking
 - Gained Strong foundation in structural drawing
- Jayashree Consultant Private Limited, Thiruvallur, Tamil Nadu.**

Apr 2023 - Present
(2 Years,2 Months)
- Structural Detailer & Revit 3D Modeler
- Prepared CAD drawing for steel structures and RCC details in factory and warehouse buildings
 - Prepared steel structural connection details as per engineering standards
 - Created Revit 3D models for civil and steel structures in factory and warehouse buildings
 - Developed Revit models for residential buildings
 - Ensured drawing accuracy and compliance with project requirements
 - Worked closely with engineers and design teams for model coordination

Education

- SSLC**

Jun 2015 - Apr 2016
- Alagappa Matriculation Higher Secondary School Karaikudi
- 79.8
- HSC**

Jun 2017 - Apr 2018
- Lions Matriculation Higher Secondary School Paramakudi
- 56.5
- B.E CIVIL ENGINEERING**

Jun 2018 - Jun 2025
- Gnanamani College Of Technology Namakkal
- 7.31

Projects

- Residential Building - RCC detailing and 3D model in Revit
- Factory and warehouse project - Full structural CAD drawings with connections
