MADURAI, TAMIL NADU, INDIA

PROFILE

Armed with a Bachelor of Engineering in Civil and specialized expertise in BIM, drafting, and detailing, I am prepared to bring my technical proficiency, problem-solving abilities, and analytical skills to a dynamic team. Proficient in industry-leading tools such as AutoCAD, Revit (Architecture, Structure, MEP), Civil 3D, and BIM 360, I excel in creating precise designs, optimizing workflows, and enhancing project efficiency. With a keen eye for detail and a passion for innovation, I am eager to contribute to forward-thinking projects and collaborate with professionals in delivering high-quality, sustainable solutions.

EDUCATION

Bachelor of Engineering Civil

Nov 2021 - Mar 2025

SETHU INSTITUTE OF TECHNOLOGY,
Madurai, Tamil Nadu

CERTIFICATION

Master Certificate in BIM

Aug 2024 - Current

A Master Certificate in BIM (Building Information Modeling) is an advanced credential that signifies expertise in BIM methodologies, tools, and workflows. It covers key aspects such as 3D modeling, project collaboration, clash detection, and digital construction management. The certification is valuable for architects, engineers, and construction professionals aiming to enhance efficiency, reduce costs, and improve project outcomes through data-driven design and planning.

SOFT SKILLS

- Attention to Detail
- Problem-Solving
- Analytical Thinking
- Project Management
- Collaboration
- Communication
- Creativity

TECHNICAL SKILLS

- Engineering Fundamentals
- Drafting & Detailing
- Auto CAD
- Revit Architecture
- Revit Structure
- Revit MEP
- Civil 3D
- BIM 360
- Lumion
