

JASNA FATHIMA

Kollam | P: 9207552201 | jasnafathima456@gmail.com

ABOUT

Highly motivated and detail-oriented Civil Engineer with 1 year of experience in design, construction and project coordination. Proficient in AutoCAD, Revit, Primavera and MS Office. Strong analytical and problem-solving skills, with excellent communication and teamwork abilities. To obtain a challenging and rewarding role as a Civil Engineer, utilizing my skills and experience to contribute to innovative and sustainable infrastructure projects.

WORK EXPERIENCE

- **Coordinating and Drafting of GCC projects**

Jan 2024-Mar 2025

Coordinate and draft shop drawings for Dubai projects of Al Adrak Contracting Co. LLC in Anvin Building Designers & Constructions, Adoor

- **Planning and Drafting of Residential and Commercial works**

Design and draft infrastructure plans for buildings and assist senior engineers in design and implementation of projects in Anvin Building Designers & Constructions, Adoor

EDUCATION

B. Tech in Civil Engineering

Sree Narayana Institute of Technology, Adoor
CGPA – 8.7

2019-2023

Higher Secondary Education

Govt. Higher Secondary School, Puthoor, Kollam
CGPA – 9.08

2019

Secondary Education

Govt. Vocational Higher Secondary School, Pattazhi, Kollam
CGPA – 9.2

2017

INTERNSHIP

- **Habilete learning solutions - Kollam**

2023

Gained valuable knowledge in BIM Modelling process and workflow of commercial buildings.

- **BIM modeling of Air Traffic Control Tower of Noida International**

Worked in the BIM modelling of ATC Tower of Noida International Airport using Revit.

- **KSCSTE-National Transportation Planning and Research Centre -Trivandrum**

2023

Gained valuable knowledge in the field of transportation engineering.

COURSES

- **Certified BIM Modeler** 08/2023- 01/2024
Completed a 6-month offline course on BIM offered by Habilete learning solutions
- **Minor Engineering in Mechatronics** 2023
Completed Minor Engineering in Mechatronics Engineering along with B. Tech in Civil Engineering

PROJECTS

Engineering Major Project - 08/2022 – 05/2023
➤ Conducted an experimental study on permeability behaviour of porous asphalt using asphalt permeameter.

Engineering Mini Project - Solar tracking system
➤ Developed a Solar tracking system as a part of pursuing Minor in Mechatronics Engineering Degree.

ADDITIONAL

Technical Skills: AutoCAD, Revit Architecture, Revit Structure, Revit Mep, Navisworks, Primavera, Sketchup, MS office.

Languages: English, Malayalam

Soft Skills: Team Management, Fast Learner, Critical Thinker
