Results-driven professional with strong expertise in Digital Marketing, SEO, and Data Science. Completed Digital Marketing Specialist and SEO Specialist certifications from Simplilearn, gaining hands-on experience in content strategy, keyword research, and campaign optimization. Also certified in Data Science and Machine Learning from Uptor, with practical knowledge in data analysis, predictive modeling, and Python programming.

Combining creative marketing strategies with analytical insights, I aim to deliver data-backed solutions that drive traffic, improve brand visibility, and optimize business performance. Open to opportunities where I can apply my cross-functional skills in marketing and analytics to add value and grow professionally.
