CAREER OBJECTIVE

Human Resource professional with 2 years of experience in HR operations and employee lifecycle management. Skilled in HR analytics, process automation, and compliance, seeking to grow into HR Business Partner roles where I can drive strategic workforce initiatives and enhance employee experience.

WORK EXPERIENCE

Optum Health and Technology Pvt Ltd | HR Operations | Nov/2023 – present

Key Responsibility Area

- **BGV** - Managed end-to-end BGV process including initiation, discrepancy closure, record maintenance, audit compliance.
- **ONBOARDING & INDUCTION** - Conducted inductions & NEO sessions, supporting statutory (PF & ESIC) documentation and ensuring smooth employee onboarding.
- **Employee Data & File Management** - Handled employee file management, compliance, and vendor invoice validation.
- **ATTENDANCE & PAYROLL INPUTS** - Managed attendance records and payroll inputs to support timely processing.
- **Employee Benefits & Vendor Coordination** - Managed employee benefits via vendor coordination (Pluxee, Cult.fit, HireRight) with SAP PO handling
- **Exit Process** - Handled exit process & ensure smooth employee transition.
- **Employee Relations & Engagement** - Addressed employee queries and grievances, ensuring timely resolution. Organized engagement activities, feedback sessions, and surveys to foster a positive workplace culture.
- **HRMS (Darwinbox) Management** - Managed HRMS Darwinbox for employee data, attendance, payroll inputs, and HR reporting to streamline operations.

ACHIEVEMENTS

- ❖ Onboarded **2000+ employees**, conducting NEO sessions and ensuring 100% statutory compliance (PF & ESIC).
- ❖ Reduced **BGV discrepancies by 20%** through proactive vendor follow-ups and process streamlining.
- ❖ Cost controlling of Vendor invoices by identifying discrepancies using a systematic validations.
