Goal Setting & Appraisals-Assist in performance goal setting and reviews. Employee Engagement-Conduct surveys, 1-on-1 meetings, and discussions. Salary Processing-Ensure timely and accurate salary disbursement. Overtime & Bonus Calculation - Track and process extra payments. Employee Benefits-Manage PF, ESI, gratuity, and medical insurance. Labor Law Compliance - Align policies with labor laws. Full & Final Settlements-Process exit settlements and Tamil documentation. Attendance Monitoring -Track daily attendance, working hours, late arrivals, and early departures. Leave Management - Process leave requests and maintain records. Biometric & Digital Tracking-Ensure accurate attendance recording and troubleshoot issues.

IMPETUSON-CHENNAI

January 2022 to January 2024

Managed end-to-end recruitment processes for IT, BPO (voice and non-voice), and BFSI roles, ensuring successful placement of qualified candidates. Sourced candidates using job portals such as Naukri, Indeed, and Monster, and maintained a strong talent pipeline. Conducted candidate screenings, interviews, and assessments to evaluate suitability for various roles. Monitored recruitment metrics, including time-to-fill and quality-of-hire, to ensure alignment with company goals. Consistently achieved hiring targets while adhering to recruitment policies and best practices.
