ABOUT

With 2 years of experience in recruitment team, I’ve built strong skills in talent acquisition—sourcing, engaging, and securing top talent across industries. My passion for people and workplace culture has naturally led to a growing interest in broader HR functions.

I'm now aiming to expand my career in recruitment and HR functions, contributing to areas like onboarding, employee engagement, and talent development. I bring strategic sourcing expertise, a sharp eye for potential, and a strong understanding of what drives success in dynamic work environments.
