PROFILE

I am eager to join a forward-thinking organization where I can leverage my skills in Human Resources and Business Analytics to drive both people and performance outcomes. By combining my expertise in recruitment, employee engagement, and HR operations with my analytical ability to interpret data and provide business insights, I aim to contribute to strategic decision-making, enhance workforce efficiency, and support organizational growth. My goal is to create value by aligning human capital strategies with business objectives, ensuring sustainable performance and a positive employee experience.

WORK EXPERIENCE

Brain o Brain Academy Private Limited

2024 - PRESENT

Human Resource Executive

Managed recruitment, onboarding, and employee records while supporting payroll and HR operations. Handled admin tasks, coordinated training sessions, and ensured smooth office functioning and compliance with company policies.

Dr.Aravind's IVF Hospital

HR Recruiter- Trainee

As an HR Recruiter, I was responsible for ensuring smooth and timely onboarding of new employees by managing documentation, coordinating inductions, and supporting a seamless transition into the organization.
